>Rothschilds now control the most powerful men in the United States, as well as Europe
>The plan begins to establish the Federal Reserve
>1912
>Titanic is going on it's maiden voyage
>I won't get into the switching out of the titanic and the olympic here but it was basically a giant insurance fraud scheme
>Who did the scheme?
>JP Morgan owned International Mercantile Marine
>This company owned White Star Line, the company that owned the titanic
>Biggest opponents to the plan to make the federal reserve in the USA, such as John Jacob Astor, Benjamin Guggenheim, and Isidor Strauss, board the ship to go to the USA to oppose the formation of the Fed
>They all perish in the sinking
>1913
>Federal Reserve is established without opposition
>The Rothschilds now control the entirety of the money supply in the USA
>Rothschilds start world wars to topple nations and expand influence amidst the chaos, to destroy nations and buy up their assets for dirt cheap
>Starting with WWI
>Germany gets blamed for the whole of WWI even though it was started by Gavrilo Princip, a Serb with the black hand, assassinating Franz Ferdinand of Austria-Hungary
>Germany is not in control of it's finances
>Germany starts printing money to pay off it's debts
>economy is destroyed
>the rest of the world economy is destroyed with the Great Depression
>wheelbarrels of cash can't buy bread in Germany
>there is starvation, there is child prostitution and rampant degeneracy
>Communism is rising, there is fear that what happened in Russia to Russians by the hands of Jewish Bolsheviks would happen in Germany
>Out of the chaos and despair rises one man who wants to stand up to the banks
>Adolf Hitler
